To the Highest Bidders Without Reserve

By the Cataloguer

M. H. BOLENDER

P. O. Box 63

San Marino, California

TO MY COIN-COLLECTING FRIENDS

I have received so much mail during the past two years from collectors asking why they no longer receive the auction sale catalogues. Two years ago Christmas eve, a blizzard raged in Freeport, Illinois where we then resided. About twenty close relatives were coming to be with us on Christmas Day. On Christmas morning two feet of snow blocked the drives about our home. I shoveled snow for two hours to make parking space for cars. The result later was a coronary known as angina pectoris. I was able to get wonderful and good help to get out my large 183rd sale of February 1952. By retiring from work and under care of great doctors with full co-operation, and by the hand of the Great Physician it being God's will, I have well recovered. I wish to thank you for the many heart-warming letters and greetings, and now your wishes for another auction catalogue are granted. While semi-retired, I will continue to handle rare and unusual numismatic items, and choice coins and paper money. Auction sales will be prepared whenever fine collections come unto the market. Rare and choice coins also purchased for cash.

TERMS OF SALE

1. Every item is guaranteed to be as represented, and to give satisfaction, as in all past Bolender sales.
2. All bids are my mail, in fairness to all those who could not attend personally.
3. There are positively no reserves on any item by anyone, and every lot will be sold to the highest bidder, at so much for the lot. All bids will be executed below your bids where other offers permit, in good faith. Where two or more bids are exactly the same on any lot, or tied, the lot goes to the first bidder at exactly his bid.
4. No unlimited bids will be accepted. Mark your highest limit on the bid sheet (on back page of catalogue), and if you need more space for bids, use any ordinary sheet of paper. We will buy as much under your bids as other actual offers permit.
5. New bidders or customers sending bids for the first time at these sales must positively give first class references, or else send a deposit of at least 25% of the total amount

of bids. References acceptable would be the name of some other dealer from whom you have had coins on open account, or name of some collector known to us, or else name of your bank. To those known to me who have established credit, purchases will be sent out promptly after the sale. In appreciation of this courtesy, the purchaser will remit promptly. Postage and registration or insurance is paid by the purchaser.

6. California buyers will be charged 3% state sales tax.
7. The terms are prompt cash settlement after sale, and no time given. Collectors who are not certain that they can pay promptly are asked not to bid. The coins in the sale are the property of my clients, and I must make prompt settlement for them.
8. A list of all prices realized at this sale will be supplied for 50 cents.
9. Please send your bids now as there is little time left before the sale date.
